(1) To be eligible for dental hygiene licensure, the applicant must have successfully completed a dental hygiene education program approved by the secretary of the department of health. The secretary adopts the standards of the American Dental Association Commission on Dental Accreditation ("CODA") relevant to the accreditation of dental hygiene schools, in effect through June 2007. In implementing the adopted standards, the secretary approves those dental hygiene education programs that are currently accredited and received initial "CODA" accreditation on or before June 30, 2007, provided, that the accredited education program's curriculum includes:

- (a) Didactic and clinical competency in the administration of injections of local anesthetic;
- (b) Didactic and clinical competency in the administration of nitrous oxide analgesia;
- (c) Didactic and clinical competency in the placement of restorations into cavities prepared by a dentist; and
- (d) Didactic and clinical competency in the carving, contouring, and adjusting contacts and occlusions of restorations.
- (2) Dental hygiene education programs approved by the secretary of the department of health pursuant to the American Dental Association Commission on Dental Accreditation standards whose curriculum does not include the didactic and clinical competency enumerated in subsection (1)(a) through (d) of this section will be accepted if the applicant has successfully completed an expanded functions education program(s) approved pursuant to WAC 246-815-110, 246-815-120, and 246-815-130.
- (3) A form will be provided in the department of health licensure application packages for the purpose of education verification.
- (4) The standards of the American Dental Association Commission on Dental Accreditation relevant to the accreditation of dental hygiene schools are available from the American Dental Association, 211 East Chicago Ave., Chicago, IL 60611-2678, 312-440-2500, http://www.ada.org/.

WAC 246-815-100 Licensure by interstate endorsement of credentials. A license to practice as a dental hygienist in Washington may be issued pursuant to RCW 18.29.045 provided the applicant meets the following requirements:

- (1) The applicant has successfully completed a dental hygiene education program which is approved by the secretary of the department of health pursuant to WAC 246-815-030.
- (2) The applicant has been issued a valid, current, nonlimited license by successful completion of a dental hygiene examination in another state. The other state's current licensing standards must be substantively equivalent to the licensing standards in the state of Washington. The other state's examination must have included the following portions and minimum level of competency standards.
 - (a) Written tests The written tests include:
 - (i) The National Board of Dental Hygiene examination.
- (ii) A state written test covering the current dental hygiene subjects that are tested for Washington state.
- (b) Practical tests All portions shall be graded anonymously by calibrated practicing dental hygienists or dental hygienists and dentists. The calibration process shall consist of training sessions which include components to evaluate and confirm each examiners ability to uniformly detect known errors on pregraded patients and/or dentoforms. Examiners will be calibrated to the established standard of minimum level of competency. The examination must have equivalent patient selection criteria for the patient evaluation, prophylaxis and anesthesia portions. The Western Regional Examining Board (WREB) practical tests. In lieu of the WREB practical tests, the secretary may accept substantially equivalent tests. The practical tests include:
 - (i) Patient evaluation clinical competency;
 - (ii) Prophylaxis clinical competency;

[Ch. 246-815 WAC—p. 2] (7/7/08)

- (iii) Anesthesia clinical competency; and
- (iv) Restorative clinical competency.
- (3) The applicant holds a valid current license, and has been currently engaged in clinical practice at any time within the previous year as a dental hygienist in another state or in the discharge of official duties in the United States Armed Services, Coast Guard, Public Health Services, Veterans' Bureau, or Bureau of Indian Affairs. Verification of licensure must be obtained from the state of licensure, and any fees for verification required by the state of licensure must be paid by the applicant.
- (4) The applicant has not engaged in unprofessional conduct as defined in the Uniform Disciplinary Act in RCW 18.130.180 or is not an impaired practitioner under RCW 18.130.170 in the Uniform Disciplinary Act.
- (5) Applicants must complete seven clock hours of AIDS education as required in chapter 246-12 WAC, Part 8.
- (6) The applicant demonstrates to the secretary knowledge of Washington law pertaining to the practice of dental hygiene.
- (7) The applicant completes the required application materials and pays the required application fee. Applications for licensure by interstate endorsement are available from the department of health dental hygiene program.
- (8) If the secretary of the department of health finds that the other state's licensing standards are substantively equivalent except for a portion(s) of the examination, the applicant may take that portion(s) to qualify for interstate endorsement. That portion(s) of the exam must be successfully completed to qualify for interstate endorsement and an additional examination fee as well as the licensure by interstate endorsement fee shall be required.

WAC 246-815-160 Standards of dental hygiene conduct or practice. The purpose of defining standards of dental hygiene conduct or practice is to identify minimum responsibilities of the registered dental hygienist licensed in Washington in health care settings and as provided in the Dental Hygiene Practice Act, chapter 18.29 RCW, and the Uniform Disciplinary Act, chapter 18.130 RCW. The standards provide consumers with information about quality care and provides the secretary guidelines to evaluate safe and effective care. Upon entering the practice of dental hygiene, each individual assumes the responsibility, public trust, and a corresponding obligation to adhere to the standards of dental hygiene practice.

(1) Dental hygiene provision of care.

The dental hygienist shall:

(a) Accurately and systematically collect, permanently record, and update data on the general and oral health status of the client.

[Ch. 246-815 WAC—p. 4] (7/7/08)

- (b) Communicate collected data to the appropriate health care professional.
- (c) Take into consideration the dental hygiene assessment, the client treatment goals, appropriate sequencing of procedures, and currently accepted scientific knowledge in developing a dental hygiene plan.
- (i) The dental hygiene plan shall include preventative and therapeutic care to promote and maintain the clients' oral health.
- (ii) Where appropriate, the dental hygiene plan shall be compatible with the treatment plan of other licensed health care professionals.
- (d) Communicate the dental hygiene plan to the client and/or legal guardian.

The client and/or legal guardian or where appropriate other **health care professionals** are to be informed of the **progress** and **results** of dental hygiene care and clients' self-care

- (e) Continually reevaluate client progress related to the attainment of their oral health goals. Implement additional dental hygiene treatment and client self-care as appropriate.
 - (2) Professional responsibilities.

The licensed dental hygienist shall have knowledge of the statutes and regulations governing dental hygiene practice and shall function within the legal scope of dental hygiene practice.

WAC 246-815-250 Cooperation with investigation.

- (1) A licensee must comply with a request for records, documents, or explanation from an investigator who is acting on behalf of the secretary of the department of health by submitting the requested items within fourteen calendar days of receipt of the request by either the licensee or their attorney, whichever is first. If the licensee fails to comply with the request within fourteen calendar days, the investigator will contact that individual or their attorney by telephone or letter as a reminder.
- (2) Investigators may extend the time for response if the request for extension does not exceed seven calendar days. Any other requests for extension of time may be granted by the secretary or the secretary's designee.

- (3) If the licensee fails to comply with the request within three business days after receiving the reminder, a subpoena will be served to obtain the requested items. A statement of charges may be issued pursuant to RCW 18.130.180(8) for failure to cooperate. If there is sufficient evidence to support additional charges, those charges may be included in the statement of charges.
- (4) If the licensee complies with the request after the issuance of the statement of charges, the secretary or the secretary's designee will decide if the charges will be prosecuted or settled. If the charges are to be settled the settlement proposal will be negotiated by the secretary's designee. Settlements are not considered final until the secretary signs the settlement agreement.
